## QUATRO

2015

*Four outstanding red varieties make up this blend of unparalleled character. Quatro is a wine that year after year shows a canvass of new flavours, aromas and sensations.*

### TECHNICAL SHEET

#### Varietal Composition:

50% Cabernet Sauvignon, 20% Carmenère, 20% Syrah and 10% Malbec.

#### Denomination of Origin:

Colchagua Valley

#### Vineyards:

San José and Ninquén in Colchagua, Intriga in Maipo.

#### Year Planted:

1993

#### Trellis System:

Vertical shoot and GDC

#### Irrigation System:

Drip

#### Yield per hectare:

Cabernet Sauvignon	: 7,150 kg
Carmenère	: 7.900 kg
Syrah	: 10,500 kg
Malbec	: 7,800 kg

#### Harvest:

All the grapes were selected and hand harvested: Cabernet Sauvignon between the 14<sup>th</sup> and the 18<sup>th</sup> of April; Syrah on the 22<sup>nd</sup> of April; Malbec on the 3<sup>rd</sup> of May and Carmenère on the 12<sup>th</sup> of May, 2015.

#### Vinification Process:

PDM yeast, fermentation temperature between 28° - 30° C / 82° - 86° F.

#### Ageing Process:

100% of the wine was stored in stainless steel tanks. 50% had oak contact - 90% French, 10% American - for 5 months.

#### Ageing Potential:

Can be enjoyed immediately or cellared for 8 years.

#### Service T°:

16° - 18° C / 61° - 64° F

**Storage Recommendation:** Bottles in horizontal position, with the wine in contact with the cork, in a fresh, dry and dark place at no more than 15° C / 59° F.

### ANALYSIS

Alcohol	: 14%
Residual Sugar	: 1.7 g/l
Volatile Acidity	: 0.59 g/l
Total Acidity	: 4.7 g/l
pH	: 3.6
Cases Produced	: 33,000

### Winemaker's Comments

Deep ruby red with purple notes.

Loaded with ripe blackberry and plums, framed by floral touches and elegant cedar from the ageing oak.

In the palate it is structured but with an elegant texture given by ripe sweet tannins. The subtle ageing oak gives it an additional complexity and a lingering and charming finish.

- Santiago Margozzini

### Food Pairing:

Barbecued marbled red meats, duck breast, pastas with creamy sauces.
