

MONTGRAS

— BOLDLY ATTRACTIVE WINES —

Early Harvest Rosé / 2021

VINEYARD

Variety: 50% Grenache 50% Carignan

D.O: Colchagua Valley

Climate: Mediterranean climate, with four clearly defined seasons and significant temperature differences between daytime and night-time.

Soil: Composed mainly of clay with some sandy soil underneath.

Harvest: Selected grapes were hand-harvested starting from the second week in February.

WINEMAKING

Winemaker: Santiago Margozzini

Fermentation: The grapes first underwent a short, cold maceration. The goal was not to extract too much colour. Next came a long, slow fermentation in stainless steel tanks at low temperatures to retain the aromatic qualities of the grapes.

Technical data:

Alcohol	: 12.5 %
Residual Sugar	: 5.74 g/l
Total acidity	: 4.15 g/l
pH	: 3.12

TASTING NOTES

Colour: This wine is a brilliant and delicate pale pink colour.

Aromas: Intense fresh red fruity aromas like ripe strawberries and raspberries with some floral touches like hibiscus and rose petals.

Palate: It is fresh, crisp and dry in mouth, with fruity flavours as red cherries and fresh-cut watermelon with a long and crunchy finish.

SERVING SUGGESTION

Very versatile wine for food pairing, perfect for fresh summer dishes or salads, as spicy food, seafood, pastas or simply on its own.

Viña MontGras is committed to sustainability and the environment:
